COMEDYSPORTZ

IMPROV AT ITS BEST

Watch the video at: www.class-act.com/comedysportz

No matter what your event - College, Corporate Banquet, Convention, Team Building, Festival or School, you will hit a home run with ComedySportz! It's fast, it's funny, and totally relevant to your group. Perfect for any event where you want entertainment that leaves people laughing while offending no one. In ComedySportz' shows they typically take suggestions from the audience about your group and your interests and then play scenes and games where they weave that information into the show. It's all improvised on the spot, and it's all about You, so it's a lot more fun than a "scripted" show.

ComedySportz is versatile, and can play anywhere from 15 to 90 minutes, in rooms ranging from giant convention center halls, gymnasiums and concert stages to intimate corners of your local restaurant.

"The troupe was professional, easy going and very approachable. Constant audience participation throughout the show. Definitely an act we would like to see again." - Sara Lee Anderson, Student Activities Dean UC Berkeley, Berkeley, CA
